

Week 5 Ch 5 Running the Race

How do we develop the Kingdom of God on earth?

What 3 things do you need to win your race?

What is perseverance?

How does the Word of God help us persevere?

Who is our coach in life?

Why does the athlete obey the coach?

Who should we look to for inspiration in running our race?

How do we achieve greatness according to Jesus?

What causes you to endure where you normally would not?

How do we develop love for others?

How do we show God our love?

Memory Verse:

Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before,
I press toward the mark for the prize of the high calling of God in Christ Jesus. Philippians 3:13-14KJV
