

Week 9 Chs 11 & 12 Words and Arguing

How do we know that words are powerful?

How are we fooling ourselves if we don't control our tongues?

How do words affect our physical bodies positively?

How do words affect our physical bodies negatively?

Where did we learn our foul talk? Is it natural?

Why should we be careful about what we say to others?

What is the definition of argue?

How do we shine in a dark world?

Can one be humble when they are arguing?

What do you do if you find that you are in an argument?

Is it okay to let others believe they have won an argument with you?

Memory Verse:

Understand this, my dear brothers and sisters: You must all be quick to listen, slow to speak, and slow to get angry. Human anger does not produce the righteousness God desires. James 1:19-20 NLT
